

MD - 27 MERLO TEAM

April 2008

Dear Lions Family~

Tremendous work Lions of Wisconsin - we are on the up-swing. April numbers are an improvement for all districts. We are not over that hump yet by no means, but if we keep up the hard work - we can do it in 2008.

Congratulations to C-1 on chartering a new club. Congratulations also to C-2 and D-1 for being a plus membership - keep up the great work.

I would like to thank all the Lions of Wisconsin for all the work you do. There is still a lot of work to do to make Wisconsin strong again. We can get it done by helping our neighbors with their projects and fundraisers.

Do you remember when you joined Lions? I do, because all the simple projects that our clubs did it put that lump in my throat, which mean so much to each one of us. We need to start looking at how we can accomplish that feeling for our new members; if we do this it will help us to keep them as members. There is no greater feeling then helping our neighbors in our community. Things such as: raking leaves, washing windows, taking someone to the store to name a few we can do for our communities. Besides the big projects that we tackle like, building wheel chair ramps, parks, and play ground equipment.

As we hold our planning retreat for the up coming Lionism year, let us look at planning some simply projects to help our community and our State. Plan to take a bus full to Lions Camp for the open house and down to Madison to visit your Eye Bank. If we put our heads together we can make Lions a proud association.

We are not a secret group so tell everyone you meet about all the wonderful things that your Lions club is doing in your community.
