WE SERVE

FIFTH ANNUAL MID-WINTER CONFERENCE

January 26, 2008

**Ben Franklin Junior High School
Stevens Point, WI**

sponsored by the

**Wisconsin Lions
Past District Governor
Organization**

WHO SHOULD ATTEND?

The Mid-Winter Conference is for all Lions, Lioness, Leos, spouses and friends who want to enhance their leadership skills and expand their knowledge of current health issue facing our society.

This year's conference features two sessions tailored for young adults on investing and helping kids make positive choices.

Medical research in Wisconsin brings new hope to thousands of individuals. You will learn about a cutting edge procedure using islet transplants that may provide a cure for diabetes. In addition, speakers will provide us with the latest information on improving lives for people with Macular Degeneration.

Two personal development sessions will be offered at this conference. One focuses on Conflict Resolution and the other on Communication.

Everyone who attends this conference will take home something to improve their personal lives and elevate their enthusiasm to make their Lions, Lioness or Leos Club the best that it can be. Emerging leaders such as Club Vice Presidents and new members would find these sessions to be of great value. We hope this conference finds you ready to attend!

Take a break from the doldrums of winter. Come and learn in a relaxed atmosphere. Enjoy meeting some of your fellow Lion leaders. Leave with knowledge that will make you a better person and a better Lion, Lioness or Leo.

COST: \$20.00
(includes lunch and materials)
