There is another 16 consulting members of this committee that also represents all of our districts.

There is a special Wisconsin Lions Centennial magazine that will be produced and begin to be available at the 2021 MD27 Convention at Green Bay.

There are plans to dedicate a Centennial Tree with plaque & a Centennial park bench with plaque (made from recycled Plastic) at the 2021 MD27 Convention.

Bee Seen Promotions has been awarded the task of the logo design and will provide Centennial apparel & promotional items.

Application has been made to LCI for a grant totaling \$15,000 to do U-Tube 30 seconds video's. There will be a different ones each quarter running April 2021 through June 2022.

The committee has been meeting by WebEx each month since February.

Further announcements will be released as they are available. A budget has been submitted to the 2020/2021 COG. They will approve at the COG meeting in July 2020.

Projects that are being considered are Tree plantings, Recycled Plastic benches and acts of Kindness (very fitting during this pandemic). There will be more suggested projects in relation to the Centennial as we know what we have for a budget and the needs arise.
